Save a Life

Supporting People at Risk of Suicide

Aims

- To increase understanding of suicide and the factors that can increase risk.
- To recognise warning signs and identify opportunities for support and intervention.
- To build confidence in having safe and compassionate conversations about suicide.
- To know where to access local and national sources of support for individuals, families and colleagues.

Date
Thursday 28 January 2027

Time
9:30 am – 4:00 pm

Venue
Dudhope Castle
Barrack Road, Dundee DD3 6HF

How to Book

Book through **Dundee Develops** HERE

External agencies need to register for **Dundee Develops**. This is a one-off registration. If you have already registered, you can book directly. If you have not previously registered, you can do so here.
