An Introduction to

Multi-Agency Child Care and Protection

Aims

- To raise your awareness of Child Protection Issues.
- To have an understanding of the different categories of abuse, looking at areas of concern and how to identify them.
- To know how to respond and what action you need to take if you are worried a child or young person may be at risk of abuse or are being abused.
- To gain an understanding of your own role in the child protection process.

Date
