

# KNOWLEDGE EXCHANGE EVENT

## Working with People Who Use Drugs

Recognition, dignity and everyday practice

### Purpose of the event

This knowledge exchange shares learning from a qualitative research project embedded in Just Bee, offering insights into how recognition, supportive practices and everyday environments influence engagement and recovery.

### Focus

- How shame, stigma and misrecognition affect engagement
- What recognition-based practice looks like in everyday interactions

### Session details

Thursday 26th February 2026

• 10am - 12pm

University of Dundee, Dalhousie Building, Room 2F13  
Old Hawkhill Road, Dundee DD1 5EN

Free
