Location: Kirriemuir

Salary: £14.83 per hour

Job Type: Full-time, Permanent

Shift Pattern: Nightshift Monday - Thursday 10pm - 6am

The Role:

We are looking for proactive and reliable Weaver to join our production team.

Full training will be provided. Once trained, you will:

- Understand and operate weaving looms effectively.
- Be responsible for productivity and product quality across a set of machines.
- Perform quality checks and maintain accurate production records.
- Adhere strictly to all health and safety regulations.
- Maintain clean and serviceable equipment and work areas.
- Adapt to changing production requirements.
- Promote a 'right first time, no fault forward' approach to quality.
- Support your team and communicate clearly.
- Carry out any additional duties required to meet business needs.

What we are looking for:

We operate in a fast-paced, dynamic environment where a flexible and quality-driven mindset is key. Ideal candidates will have:

- A strong focus on quality and attention to detail.
- A proactive and adaptable attitude.
- The ability to work independently and as part of a team.
- Good communication skills.
- Previous industrial or manufacturing experience (preferred but not essential – full training provided).
