

Have You or a Loved One Experienced Palliative Care?

University of
St Andrews

We'd like to hear from you.

Researchers at the University of St Andrews are inviting patients, unpaid carers and advocates to join a one-to-one interview about two ideas to improve community palliative care: a **24/7 helpline** and **BRIDGE** - a shared record/support app for coordinating care.

What's involved?

- A one-to-one interview (45–60 minutes)
- Online (via Teams), by phone, or in-person
- You'll receive a £20 voucher for your time

Who are we looking for?

We're looking for adults (18+) across Scotland who:

- are currently receiving palliative care, or
- are currently supporting, or have previously supported, a loved one through palliative care.
