

Student Recruitment Event

Thursday 15th May, 3pm -5pm, D&A Kingsway Campus, Room K-TO-304

The Civil Engineering Contractors Association (CECA) Scotland Academy offers a robust training to employment programme, bridging the gap from college to industry careers.

This hands-on course prepares you for entry-level roles in civil engineering, focusing on groundworks such as **excavation, drainage, curbing, and cementing.**

Training in a simulated site environment ensures you gain team skills and vital health and safety knowledge, paving the way for work on critical projects like roads, schools, and energy networks.

Event timetable

Arrival, shown to room	3pm
About the CECA Academy	3.10pm
Hear firsthand from students	3.40pm
Hear from employers	3.50pm
Outdoor learning site tour	4pm
Questions	4.20pm
Application leaflets & close	4.40pm

Find out more and how to apply at our student recruitment event on **Thursday 15 May at 3pm.**
